### Newton Learning Corporation

Newton Learning and its team of facilitators and consultants work with CEOs, Presidents, business owners and their executive teams to strengthen their abilities to lead and manage. We provide a wide array of executive services designed to enable the company leadership to identify the real issues affecting the business and provide clear focused direction for the organization.

We have gained a wealth of experience over the years by facilitating and training within the CEO and Chair community of TEC. As a result we are uniquely qualified to assist you and your team to:

- Become visionary leaders
- Fine-tune your ability to communicate and work together as an executive team
- Articulate your vision and values and put them into action
- Develop effective strategic plans for meeting the challenges of tomorrow
- Consciously shape your organization's culture.
